CREATE
ATHENA PROJECT CAMPS

Girls Create is a summer camp program for playwriting, comedy, and fashion. The program teaches girls (6th through 10th grade) various aspects of these art forms in a unique way—we prioritize bringing in professionals from the community to teach the programs, guest artists to share their expertise and utilize mentors from the community to provide guidance during the creative process. Each week-long program culminates in a final project for the week. We invite the community, including friends and family of the girls, to experience their work.

All Girls Create camps are \$200 and take place virtually on Zoom. ALL CAMP TIMES ARE 10am-12noon. A limited number of scholarships are available; please contact admin@athenaprojectarts.org or visit our website <https://athenaprojectarts.org/summer-camps/> for up to date information.

Guest actors and directors bring each story to life in a staged reading at the end of the week. As they develop creative tools for storytelling, girls gain confidence in their unique voices and experience the value of sharing ideas.

At Girls Create, we believe that "Girl" means many things and can be a complicated term. We recognize that the term "Girl" does not automatically include all aspects of the gender spectrum that is welcome at camp. We want to create a safer space for the expression and growth for all girls, trans and gender-nonconforming individuals. We ask for pronouns because we don't want to assume anyone's gender identity! If you are comfortable sharing please do, if not that's okay too. Knowing your preferred Pronouns helps us to address you in the way most comfortable for you.
